WHAT IS BEST PRACTICE IN GP TRAINING?

Quote DXGPT to save 15% when ordering

This extensive, full-colour training handbook captures the wisdom and vast experience of educator authors in an accessible and practical way. Beautifully presented, the chapters cover a wide educational framework, employing a variety of presentational methods such as flowcharts, diagrams, conversational pieces, scenarios and anecdotes.

Each chapter has a corresponding webpage containing over 300 additional resources, providing further reading material and practical tools in aid implementation.

Specifically designed for General Practitioner Trainers, Training Programme Directors, Associate Programme Directors, Associate Postgraduate Deans and Postgraduate Deans world-wide, *The Essential Handbook for GP Training and Education* adopts a relaxed, personable approach to primary care education.
